

Puzzle – lecture

Les mots et les pièces (grille avec mots) sont à imprimer en recto-verso. **Attention**, le recto-verso doit se faire sur le bord court sinon l'image et le puzzle seront à l'envers.

Je n'ai pas apposé le nom de ma page sur les puzzles afin de ne pas gâcher le dessin. Je vous demande donc de **respecter mon travail** en ne le **vendant pas** ou en vous l'appropriant (principes de base mais j'aime toujours le rappeler !!). Une publication a déjà été rédigée à ce sujet et a même été épinglée sur ma page : emilles idées de logopède → n'hésitez pas à aller y jeter un oeil si cela n'est pas clair 😊

Je mets tout ceci à votre disposition avec grand plaisir donc veuillez respecter mon travail en **mentionnant** bien **la source** si vous souhaitez le **partager** à une tierce personne, à un.e collègue ou que sais-je ... 😊

D'avance : Bon amusement !
