Déroulement :

AVANT DE COMMENCER → il faut choisir les confusions que vous souhaitez travailler.

Chaque joueur choisit une planche et les cartes sont à placer dans une pochette, un pochon, ...

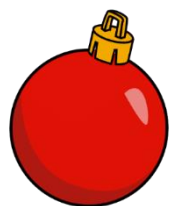

Le joueur le plus jeune commence et pioche une carte :

- S'il la possède sur sa planche, alors il doit compléter le mot avec les bonnes lettres (soit bd soit mn ; ...).
- S'il ne la possède pas, alors il la donne à l'adversaire qui devra compléter son mot.

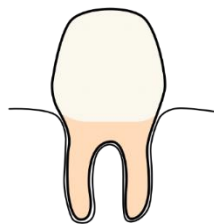

Le premier qui parvient à compléter tous ses mots remporte la partie.
